Ownership Continuity Analysis

This memorandum sets forth the requirements for ownership continuity under the Listing Rules, and the compliance by Nanjing Silicon Intelligence Technology Group Co., Ltd. (南京硅基智能科技集團股份有限公司) (the “**Company**,” together with its subsidiaries, the “**Group**”) with such requirements for the purpose of the Listing. Unless the context requires otherwise, terms used herein shall have the same meanings as those defined in the application proof of the prospectus of the Company dated ~~October 31, 2025~~ April 10, 2026 (the “**Prospectus**”).

RULES AND REQUIREMENTS

The Company is seeking the Listing under the market capitalisation/revenue test under Rule 8.05(3) of the Listing Rules. Pursuant to Rule 8.05(3)(c) of the Listing Rules, a new applicant must satisfy that it has “ownership continuity and control for at least the most recent audited financial year.” The most recent audited financial year for the Listing is the financial year ended December 31, ~~2024~~ 2025. In addition, pursuant to Chapter 1.1C of the Guide for New Listing Applicants issued by the Stock Exchange, the ownership continuity and control requirement is intended to ensure that the listing applicant’s financial performance resulted from the actual dynamics between the controlling shareholder(s) and the management for at least the most recent financial year up until the time immediately prior to listing.

ANALYSIS

Background

The Company was incorporated in the PRC as a limited liability company on August 8, 2017 and was converted into a joint stock company with limited liability under the laws of the PRC on February 18, 2025. Details of the history of the Group are set out in “History, Development and Corporate Structure” in the Prospectus.

Controlling Shareholders

As of the date of this memorandum, Mr. Sima directly and indirectly through his controlled entities was entitled to exercise the voting rights attaching to approximately 36.82% of the total issued share capital of the Company, including: (i) the voting rights attaching to approximately 26.54% of the total issued share capital of the Company held by Mr. Sima; and (ii) the voting rights attaching to approximately 10.28% of the total issued share capital of the Company held by Jiaxing Silicon Language, the share incentive platform of the Company with Nanjing Silicon Life, a

As of the date of this memorandum, Mr. Sima held 99% equity interest in Nanjing Silicon Life, and the rest 1% was held by Ms. Chen Liping, an executive Director, the chief financial officer and a senior vice president of the Company. - (i) Ms. Chen is independent of and not associated with Mr. Sima;

- (ii) Mr. Sima by himself is able to exercise the full control over Nanjing Silicon Life, and Ms. Chen’s shareholding in Nanjing Silicon Life was not for the purpose of bundling her voting rights with Mr. Sima to form a joint control in a unit or restricting Mr. Sima’s ability to exercise direct control over the Company; and
- (iii) the overall management and operation of the Group was consistently under the direct influence and control of Mr. Sima, whereas Ms. Chen only holds her interest in Nanjing Silicon Life as a minority shareholder.
