

**Summary of Material Findings in Assessing the Underlying Financial Information of
the Group's PRC Companies Used for the Preparation of the
draft Accountants' Report**

Capitalised terms used herein and not otherwise defined shall have the same meanings as those defined in the application proof of the prospectus of Nanjing Silicon Intelligence Technology Group Co., Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") dated ~~October 31, 2025~~ April 10, 2026 (the "**Application Proof**"). In order to ascertain whether the underlying financial information of the Group's companies incorporated in the People's Republic of China (the "**PRC Companies**") used for the preparation of the draft Accountants' Report in Appendix I to the Application Proof is consistent with all the relevant regulatory filings or reports filed with the appropriate competent government authorities and, where applicable, the information on related party transactions as shown in the financial statements of the relevant related parties, the following due diligence work and procedures were conducted.

Formatted: Font: Bold

A. Regulatory Filing Records

The Group's PRC Companies are listed in Appendix I hereto. The Directors have confirmed that for annual compliance and ongoing tax assessment purposes and to the extent applicable (i) each of the PRC Companies has duly filed the required regulatory filings (the "**SAMR Filings**") with the relevant local bureaus of State Administration for Market Regulation during the years ended December 31, ~~2022, 2023 and, 2024~~ and six months ended June 30, 2025 (the "**Track Record Period**"); and (ii) each of the PRC Companies has duly filed the annual profit tax filings containing relevant financial information (the "**Tax Filings**") with the relevant local counterparts of State Administration of Taxation offices (the "**SATs**") during Track Record Period. The SAMR Filings and the Tax Filings are referred to hereunder as "**Regulatory Filings**".

Formatted: English (United States)

Formatted: Font: 10 pt, English (United Kingdom)

(i) Retrieval of the Regulatory Filings

For regulatory/tax filings in the PRC, the relevant financial statements were prepared by the Company in accordance with the Accounting Standards for Business Enterprises of the PRC ("PRC GAAP"), whereas the historical financial information as disclosed in the Accountants' Report was prepared by the Company in accordance with IFRS Accounting Standards).

With respect to assessing whether the Underlying Financial Information is consistent with all previously filed regulatory filing records and statutory financial statements, as appropriate, of the PRC Companies, where appropriate (the "Regulatory Filing Records"), the Joint Sponsors, together with its PRC legal advisers, JunHe LLP, visited the official filing systems of the SAMR and the SAT for the purpose of retrieving copies of the Regulatory Filing Records of the PRC Companies for the Relevant Period directly and independently, to the extent practicable.

(ii) Work performed by the Joint sponsors

The Joint Sponsors have performed the following key independent due diligence work:

- (a) discussed with the management of the Company, the PRC legal advisor of the Joint Sponsors to understand the appropriate competent government authorities overseeing the PRC Companies and the relevant PRC laws and regulations governing the Regulatory Filings, the financial information that the PRC Companies were required to file with the relevant authorities during the Relevant Period and determine the scope of the Regulatory Filings retrieval and the relevant scope;
- (b) in respect of the SAMR Filings, the Joint Sponsors, PRC legal advisor of the Joint Sponsors, and with the witness of the Reporting Accountants visited the National Enterprise Credit Information Publicity System for the purpose of directly and independently retrieving copies of the annual reports, which include the financial information of the PRC Companies filed for the years ended December 31, ~~2022, 2023, 2024~~ and 2024/2025, respectively, as the case may be to the extent feasible;
- (c) in respect of the Tax Filings, the Joint Sponsors, PRC legal advisor of the Joint Sponsors, and with the witness of the Reporting Accountants visited the official online system of the relevant tax authorities for the purpose of directly and independently, retrieving copies of the Tax Filings, which include the financial information of the PRC Companies filed for the years ended December 31, ~~2022, 2023 and, 2024~~ and six months ended June 30, 2025, respectively, as the case may be to the extent feasible;
- (d) discussed with the Reporting Accountants on the work performed by them as set out in paragraph headed "Work performed by the Reporting Accountants" below and reviewed the Regulatory Filing Records, the management accounts of the PRC Companies and the results of the comparisons;
- (e) discussed with the Company to understand reasons and details of the differences in the reconciliation between the Underlying Financial Information and the Regulatory Filing Records, and how such differences were dealt with;
- (f) discussed with the management of the Company in relation to the preparation of the Historical Financial Information, including but not limited to the basis of and accounting policies for the preparation of the Accountants' Report; and

Formatted: Font: 10 pt, English (United Kingdom)

- (g) reviewed the tax certificates issued by the competent tax authorities and the advanced draft PRC legal opinion prepared by the Company's PRC legal advisor, to ascertain the tax position and compliance with the applicable PRC laws and regulations of the PRC Companies.

The Company confirms that, save as disclosed in the Appendix I to this submission, there are no material inconsistencies between the Regulatory Filing Records and the Underlying Financial Information.

Based on the independent due diligence work carried out above and after engaging in discussions with the Company, nothing has come to the Joint Sponsors' attention that would reasonably cause the Joint Sponsors to disagree with the Company's confirmation that there are no material inconsistencies between the Regulatory Filing Records and the Underlying Financial Information.

(iii) Work performed by the Reporting Accountants

The Reporting Accountants were not the statutory auditor for the PRC Companies for the Relevant Period and did not perform statutory audits over the respective statutory financial statements of the PRC Companies. For the purpose of the draft Accountants' Report included in Appendix I to the Application Proof, the Reporting Accountants have carried out their work in accordance with the Hong Kong Standard on Investment Circular Reporting Engagements 200 "Accountants' Reports on Historical Financial Information in Investment Circulars" ("HKSIR 200") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") on the historical financial information of the Group for the Relevant Period prepared in accordance with the basis of preparation and presentation set out in Note 1 to the historical financial information included in the draft Accountants' Report as set out in Appendix I to the Application Proof (the "Historical Financial Information").

As part of their work, the Reporting Accountants have compared the key financial information contained in the Regulatory Filings to the underlying financial information used in the preparation of the draft Accountants' Report (the "Underlying Financial Information", i.e. the management accounts of the respective PRC Company prepared in accordance with PRC GAAP). The results of comparison between the financial information contained in the Regulatory Filings and the Underlying Financial Information are summarised in the Appendix I to this submission. No material differences were noted between the Regulatory Filings and the Underlying Financial Information.

B. Information on Related Party Transactions

(i) Work performed by the Reporting Accountants

According to the relevant PRC regulations, the regulatory filing records or reports of the PRC companies are not publicly available for retrieval and can only be retrieved by the relevant company itself. Therefore, the Reporting Accountants have not obtained the financial information or financial statements of the Group's related parties from relevant government authorities. With respect to related party transactions of the Group for the Relevant Period, the Reporting Accountants have performed relevant procedures in accordance with Hong Kong Standard on Auditing 550 (Clarified) "Related Parties" issued by the HKICPA.

The Reporting Accountants are satisfied with the results of their procedures as they considered necessary and appropriate to provide a basis for their opinion on the Group's Historical Financial Information taken as a whole. It should be noted, however, that the procedures performed by the Reporting Accountants are for the purpose of forming an opinion on the Historical Financial Information of the Group as a whole and are not designed or performed for the purpose of expressing an opinion on individual accounts or financial statement assertions.

(ii) Work performed by the Joint Sponsors

With respect to the work performed by the Joint Sponsors on the related party transactions during the Track Record Period, the Joint Sponsors have:

- (a) ~~Discussed~~discussed with the management of the Company on the identities of related parties, the nature of the relationships with the related parties, and the type and purpose of the related party transactions;
- (b) discussed with the Directors and senior management of the Company on identifying and disclosing related party transactions;
- (c) inspected and reviewed the underlying contracts or agreements of the related party transactions;
- (d) discussed with the Reporting Accountants on their audit procedures carried out on the related party transactions, which is to form their opinion on the historical financial performance of the Group as a whole;

- | (e) assisted the Company in engaging an independent internal control consultant, to perform and review the internal control system and mechanism of the Company, which covered the controls over related party transactions; ~~and~~
- | (f) discussed with the internal control consultant regarding its review, results and status of the Company's control over related party transactions; ~~and~~
- | (g) discussed with the management of the Company on the importance of identifying and disclosing material related party transactions / connected transactions, and the Listing Rules implications.

Based on the above due diligence work, the Joint Sponsors confirm that they are not aware of any significant irregularity or any other matter that need to be brought to the attention of the Stock Exchange in relation to the related party transaction
